5. Grant of tax credit of 20% of cash and kind donations made for Covid-19 by resident individuals to LASG by the 2021 Year of Assessment only subject to a cap of 35% of tax due.
6. Payment channels have been increased to make payment of taxes easier, simpler and more convenient for all.
7. Video conferencing has been adopted as the default mode for conduct of Tax Audit Reconciliation Committee (TARC) meetings in consonance with social distancing advisories from Government and other relevant authorities.
